THE COLLECTION

*For our discerning clientele too busy or unsure,
we offer the following support.*

1. DELIVERY

Please Inquire

Client pick up can be arranged at our location, but if that doesn't work for you, we'd be more than happy to load up and get your items to you.

2. SET & PERFECT SERVICE

Starting at \$450

While rental drop off is a common "day of" practice, we know all too well what it could mean to have a few extra pair of hands! Whether it be assembling your twenty 8-piece candelabras or setting your table top, our team is equipped and ready to help you!

3. TAKE DOWN

Please Inquire

The party is over, but it's not over! We'll be there "event night" or next day to get it all out for your peace of mind and/or so that you can honor your contract as far as venue turnover!

4. PICK UP

Please Inquire

While some need our help to take down and out, some have a team that puts everything of ours back in their original boxes and crates. This works for us too and we're happy to swing by to just pick up and load out!
